

September 2024

**Shawano Municipal Utilities &
City of Shawano Public Works Department
Newsletter**

**Save The Date!
Customer Appreciation
Event October 9th
from 3pm-6pm**

Join us for our customer appreciation event in celebration of Public Power Week! **There will be door prizes, give aways,**

bucket truck rides, snacks, slushies, activities, demonstrations and more! Watch for more updates and details on our Facebook page.

What is Public Power? Public power is locally owned and controlled, nonprofit operations, low cost structure and is customer focused. As your local utility, we are proud to serve the Shawano Community!

Shawano Municipal Utilities is giving children the chance to showcase their artistic ability by participating in our annual coloring contest to celebrate Public Power Week. Participants will have the chance to **win \$20 chamber bucks and have their artwork showcased in our upcoming 2024 calendar!**

Anyone in 4K-5th grade who live in SMU's service area are encouraged to participate. Please stop at our office to pick-up your coloring sheets. You can also print them from home off of our website www.smutilities.com.

Return your coloring sheets back to SMU no later than Friday, October 18th, 2024 at 4:30pm.

Customer Parking and Entrance

There has been some confusion on where our customers should park and where they can enter our building. The customer entrance and customer parking lot is located on 122 N Sawyer, on the corner of N Sawyer & E Green Bay Street. The parking lot located on the back side of our building is for our employees. Please park in the customer parking lot on Sawyer Street.
